DECLARATION IN SUPPORT OF THE PETITION
FOR RETROACTIVE FOREIGN FILING LICENSE UNDER 35 U.S.C. § 184

I, Thomas M. Coester, hereby declare that:

- (1) I am a representative of the above identified Applicant based on a Power of Attorney filed with the application on October 27, 2003.
- (2) The subject matter in question for the above referenced application was not under a secrecy order at the time the patent application was filed abroad and the patent application is not currently under a secrecy order.
- (3) The error in foreign filing was discovered on April 6, 2004 from which point I have diligently sought to obtain a retroactive license by the preparation of the accompanying petition.
- (4) The patent application was mistakenly filed abroad through error and without deceptive intent because it was filed directly by a licensee who did not realize the foreign filing license had not yet been granted and the error was not detected until after it had been sent for foreign filing.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statement and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,
